The Largest Cabinetry Manufacturer in Asia

Founded in 1994 and headquartered in Guangzhou, OPPEIN is the top kitchen and total home-furnishing brand in China, and the largest cabinetry manufacturer in Asia.

In the past 25 years, OPPEIN has established its core competencies in brand influences, mass customization and dynamic channel system. We are forging informationization as the fourth edge.

Despite its leading role in Chinese market, OPPEIN is exploiting the international market mainly in the form of project and franchiser. We have business in 128 countries and regions now.

Our vision is to make OPPEIN a modern, innovative company respected and loved by the people, held in the highest esteem in China, and emulated around the world.

We deliver what we promise, and will make no compromise to offer premium products and services to our customers.
