A WORLD WELL-ESTABLISHED BRAND

Founded in 1994, OPPEIN is Asia's largest cabinetry manufacturer of high quality kitchens, living, bedrooms, bathrooms, interior doors and home furnishings.

In the past 25 years, OPPEIN has established its core competencies in brand influences, mass customization and dynamic channel system. We are forging informationization as the fourth edge.

Despite its leading role in Chinese market, OPPEIN is exploiting the international market mainly in the forms of project and franchiser. We have business in 128 countries and regions now.

We achieve this through our unceasing striving for perfection, and the passion to satisfy individual needs of home décor.

Our vision is to make OPPEIN a modern, innovative company respected and loved by the people, held in the highest esteem in China, and emulated around the world.

We deliver what we promise, and will make no compromise to offer premium products and services to our customers.
